        <section>
            <h2>Our Mission</h2>
            <p>EvriCo is dedicated to developing, producing, and deploying accessible technological, industrial, and social solutions. We operate across diverse sectors to ensure fundamental innovations remain open, usable, and free from restrictive monopolization.</p>
        </section>

        <section>
            <h2>Defensive Intellectual Property & Open Access</h2>
            <p>All work, research, designs, code, and technical documentation published under EvriCo serve as documented <strong>Prior Art</strong>. </p>
            <p>Our explicit goal is to secure public domain utility: by establishing open access and public publication, we prevent third parties, corporations, and predatory entities from filing exclusive patents or restrictive intellectual property claims against these designs and their end-users.</p>
